

NOW HIRING

DES strives to earn a reputation for responding to client requests and employee needs.

We take the initiative to resolve issues and team with our clients to provide strategic staffing management.

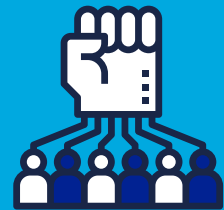

Through partnering, we can help you increase profitability, enhance productivity, and reduce overhead.

GREAT SOLUTIONS GREAT PEOPLE

PEOPLE: YOUR GREATEST ASSET

The employees you hire have a direct impact on your organization's productivity, image, and profitability. Getting the right person is a difficult job, and internal recruitment teams have limitations of time and resources to get the best candidates. With our expertise, we can shortlist the best candidates for you to interview, giving you more time to screen them rather than search for them.

WHY CHOOSE DES?

Excellent customer service is the foundation to strong, professional relationships. For us, every interaction is an opportunity to learn more about our clients, candidates, and community and their needs. We pride ourselves on building these relationships and getting to know our clients. DES Employment Group has built a reputation on delivering exceptional customer service and believe that building these relationships is the key.

LET US HELP YOU BUILD A PRODUCTIVE WORKFORCE

OUR SERVICE FORMULA

FLEXIBLE STAFFING

Includes traditional temporary services, both short and long term, in the industrial, clerical, technical, medical, and financial markets.

ON-SITE MANAGEMENT

A separate line of service that devotes dedicated recruiters and managers to a single customer. The DES ON-Site Team is fully integrated into the customer's business operations, productivity, reporting and quality goals.

PAYROLL SERVICES

Let DES manage the task of processing your payroll. Add any new or existing staff members and save the costs associated with accounting, human resource compliance, workers compensation and payroll taxes.

EXECUTIVE SEARCH

We pride ourselves in our ability to efficiently locate and place qualified professionals from across the nation. From CEO's to middle management, we uncover "Hidden Talent".

DES ON-DEMAND

A service that reduces no-shows, time and attendance issues, associate training, and job orientation time, while significantly increasing associate job quality, productivity, client and associate satisfaction.

EMPLOYEE RETENTION

At DES, our goal is to provide you with a qualified, productive workforce. We realize that benefits are important, therefore we offer the following:

- Medical
- Dental
- Vision
- Short-Term Disability
- Term Life
- Safety and Recognition Programs
